

Dear sir, madam,

hereby we would like to kindly invite you to "**Scopus Editor Seminar – Increasing the Visibility of Hungarian Science**". The seminar will discuss how to develop and manage well high quality journal to fulfill both quantitative and qualitative requirements of international indexing database Scopus. The seminar will take place 7. 10. 2015 in the Conference Room of the Hungarian Academy of Sciences, 1051 Budapest, Arany János utca 1.

The seminar will focus on Scopus content selection and policy and will present good journal management practice from Hungary. Detailed programme is available below.

To take part at this seminar, **please register here:** <http://goo.gl/forms/hRNigKt3T4>

In case of questions, please contact l.boudova@elsevier.com (in English).

Kind regards,

Elsevier organization team
